

# Technician Class License Course

The Cuyahoga Falls Amateur Radio Club ([cfarc.org](http://cfarc.org)) is offering a six session (2 hours per session) TECHNICIAN CLASS license course online. The course will be using Zoom and Google Classroom.

- Are you interested in amateur radio?
- Do you want to communicate with other amateurs through local repeaters?
- Do you want to learn more about components and circuits, radio signals and equipment, digital modes, antennas and propagation?
- Do you want to help in emergencies in your immediate area?
- Would you like to communicate with other amateurs using satellites?

The course will meet on six consecutive Sundays starting 04 October 2020 from 1:30 PM to 3:30 PM. The cost of the course is free and will use the HamRadioSchool.com Technician License Course available both as [paperback](#) and [Kindle](#) e-book. Note [double edition](#) with General License Course is also available. Note General Licensing course will start in January 2020. If you want to take this course, we prefer that you e-mail the following information to [education@cfarc.org](mailto:education@cfarc.org).
